# LIFETIME LIMITED WARRANTY

757-485-9200 | ordering@greenforestcabinetry.com | www.greenforestcabinetry.com

## LIMITED LIFETIME WARRANTY

Green Forest Cabinetry ("GFC") warrants its cabinetry and included hardware to the original residential purchaser who owns and resides in the home where the cabinetry was originally installed. Coverage lasts for as long as the original purchaser owns and lives in the home. This warranty applies to residential installations in the U.S. only and is not transferable.

## WARRANTY COVERAGE

GFC will, at its sole discretion, repair or replace any defective cabinet component resulting from unnatural defects in material or workmanship. This warranty covers parts and materials only; it does not include removal, installation, or transportation costs. Proof of purchase is required.

## EFFECTIVE DATE & SCOPE

This Limited Lifetime Warranty applies only to products purchased on or after January 1, 2026. Products purchased prior to this date are covered under GFC's previous 5-Year Limited Warranty. This warranty applies only to cabinetry and hardware manufactured or supplied by GFC.

## LIMITATIONS

This warranty does not cover

- Normal wear and tear (scratches, dents, scuffs, fading)
- Environmental exposure (moisture, sunlight, extreme temp/humidity)
- Natural aging: color changes, grain variation, joint lines, or finish separation.
- Wood door warping up to ¼" is not considered defective
- Painted finishes showing hairline cracks or finish stress lines
- Improper installation, storage, or use in non-residential/commercial settings
- Alterations or modifications post-manufacture
- Third-party accessories or products not supplied by GFC
- Acts of God, infestation, vandalism, abuse, or home settlement
- Damage caused by improper cleaning, including the use of abrasive pads, acidic or ammonia-based cleaners, bleach, or other harsh chemicals.

Wood is a natural material. Variations in grain, texture, mineral streaks, and knots are not considered defects. UV exposure and atmospheric conditions will cause color shifts over time. These are expected and not covered.

## VOIDING CONDITIONS

This warranty is void if:

- Cabinets are installed or stored outdoors
- Cabinets are exposed to flooding, extreme humidity, or temperature
- Cabinets are improperly installed or altered post-delivery

## CARE & CLEANING

Clean cabinets using a soft cloth dampened with mild soap and water. Avoid abrasive cleaners, scouring pads, bleach, ammonia, or acidic solutions. Always dry surfaces thoroughly. Prolonged exposure to moisture may damage the finish and void this warranty. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets. This may result in overall color variations, but is not considered a defect.

## REPLACEMENT & OBSOLETE PRODUCTS

If a valid warranty claim is made and the affected product or style has been discontinued, GFC reserves the right to substitute with a comparable product or component from our current offerings. Due to the natural aging of wood and finishes, an exact match of color, grain, or sheen is not guaranteed.

## WARRANTY CLAIMS

To file a claim:

1. Contact your original GFC dealer.
2. If unavailable, contact GFC Warranty Support:
   ordering@greenforestcabinetry.com
   757-485-9200
   www.greenforestcabinetry.com

Claims must include:

- Proof of purchase
- Photo of the issue
- Description of the problem and affected location

**Do not return any item without receiving a valid Return Material Authorization (RMA). Unauthorized returns will not be accepted.**

## DISCLAIMERS

This warranty is in lieu of all other warranties, expressed or implied. GFC is not liable for incidental or consequential damages including labor, installation, removal, lost profits, or delays. Some states do not allow such exclusions. This warranty gives you specific legal rights, and you may also have other rights under federal, state, and local laws, regulations, and ordinances.

# GREEN FOREST CABINETRY

Simply Quality, Simply on Trend and Simply Affordable.

At Green Forest Cabinetry, we keep things simple. Our values, standards and decades of manufacturing experience, as well as how "uncorporate" we are, have led to our cabinets being the best value in the market. Quality and value that you would be proud to have in your own home. When you buy Green Forest Cabinetry, you're investing in higher quality at lower prices and better margins for your own business.

Don't over-complicate it – remember, simple ***is*** affordable.
