YAMUNA QUARTZITE
TS203

Named after the storied Yamuna River in India, this quartzite-inspired design features a soft, creamy white quartzite structure with subtle accents of gold, brown, and beige directional veins. This design has a Luster finish for a semi-gloss sheen and a smooth surface.

ALMOND CORE

MIDDAY MAHAL
TS202

A quartzite structure that embodies the warm background, slight translucency, and thin veins of popular Taj Mahal quartzite stone from Brazil. A Luster finish elevates the neutral coloration and directional vein movement with a semi-gloss sheen and a smooth surface.

ALMOND CORE

BOSCO OSCURO
TS406

Explore the depths of design with Bosco Oscuro, an Italian description that translates to “dark forest.” This black, richly textured marble offers warm-colored vein accents of gold, copper, and cream. This design has a Luster finish for a semi-gloss sheen and a smooth surface.

BLACK CORE

NOTTE NERA
TS412

“Notte Nera” translates to “black night” in Italian, inspiring this Brazilian Arabescato dimensional marble with a background of inky blacks and shadows of grey. The large-scale movement is further elevated by a smooth Luster finish.

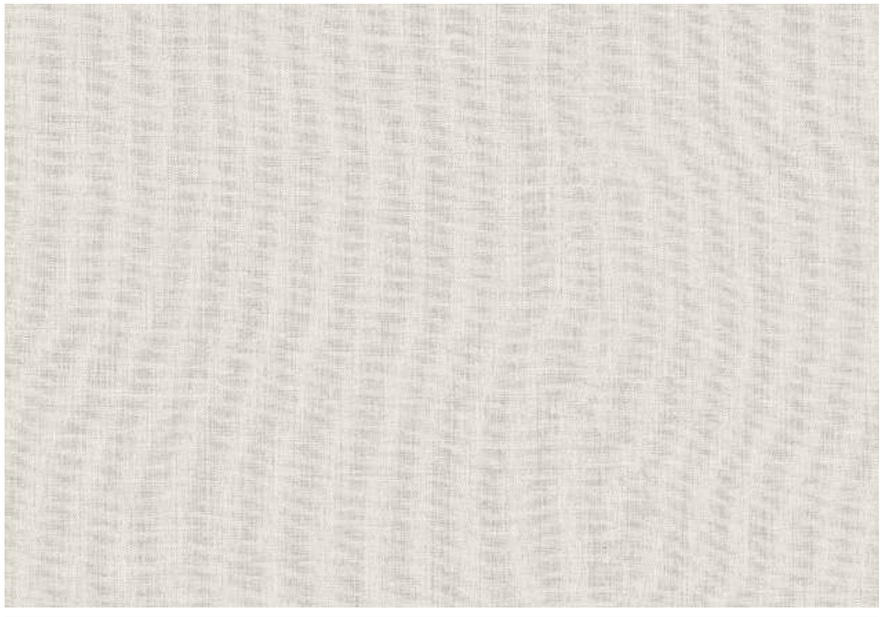

BLACK CORE

COASTAL WEAVE
TS317

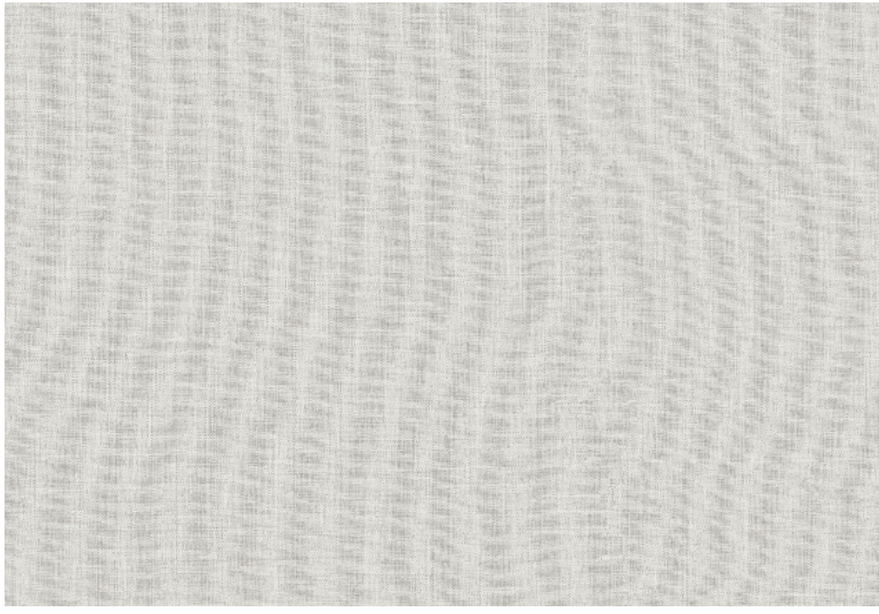

A sophisticated soft weave design featuring a white background interwoven with cream and grey tones to create a harmonious and versatile aesthetic. This elegant pattern coordinates effortlessly with various colors and materials.

GREY CORE

SERENE WEAVE
TS316

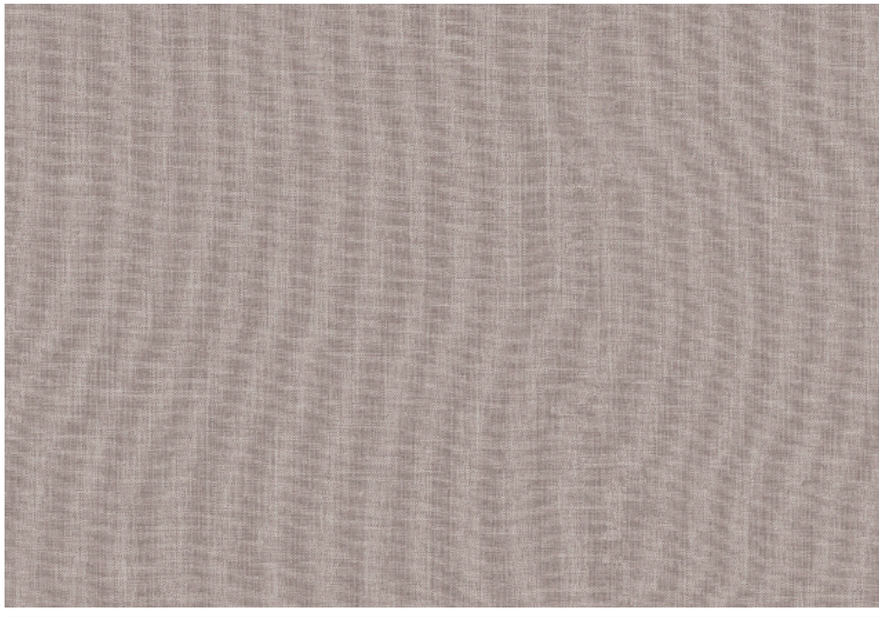

A refined, soft woven pattern featuring a pristine white backdrop and a balanced interplay of warm greys and cool greys. This design invites creativity and versatility, promising coordination in any setting.

GREY CORE

ARTISAN WEAVE
TS103

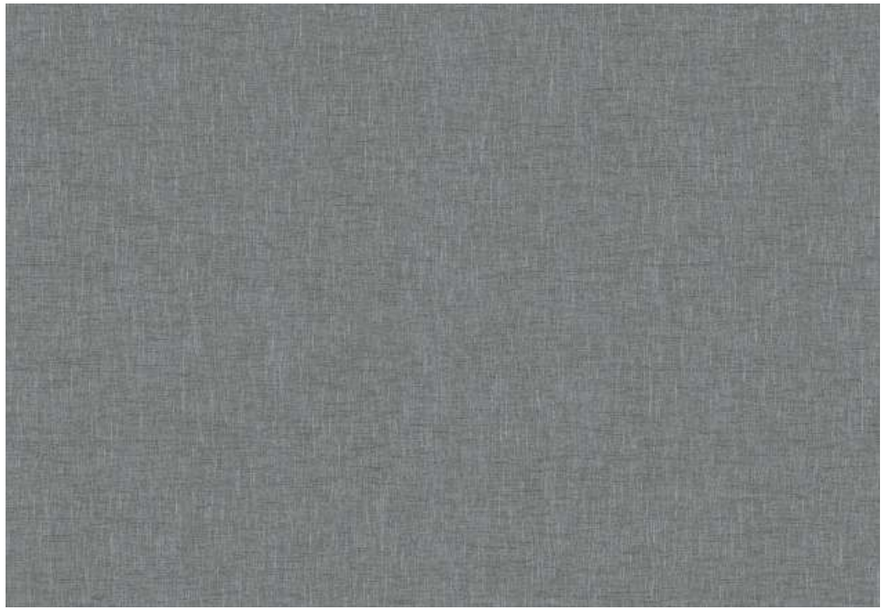

A timeless design with an intricate taupe and grey woven pattern set against a serene light grey backdrop. This design opens up a realm of possibilities, seamlessly integrating with a spectrum of colors and materials.

KHAKI CORE

URBANE LATTICE
TS318

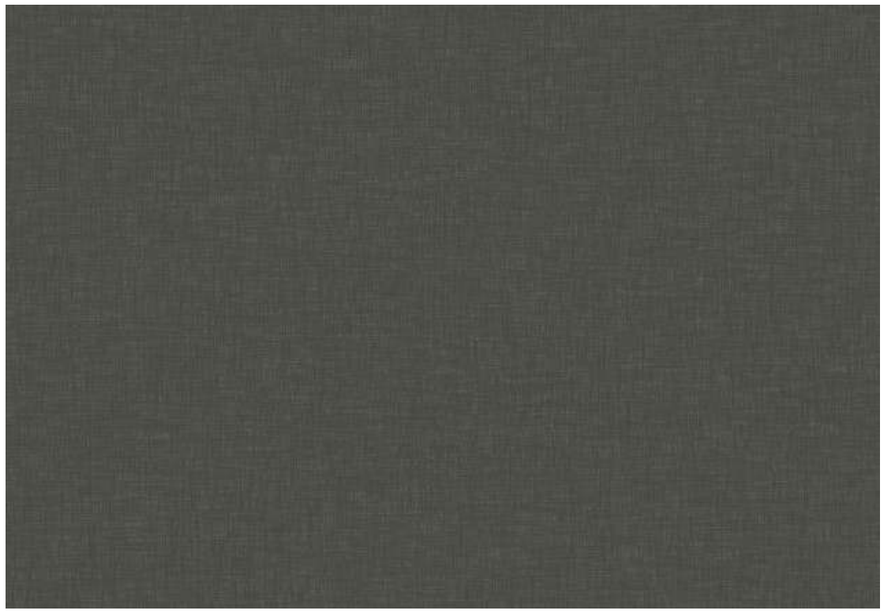

A charcoal black abstract design in a soft crossweave pattern provides striking overall color and detailed visual interest in modern spaces.

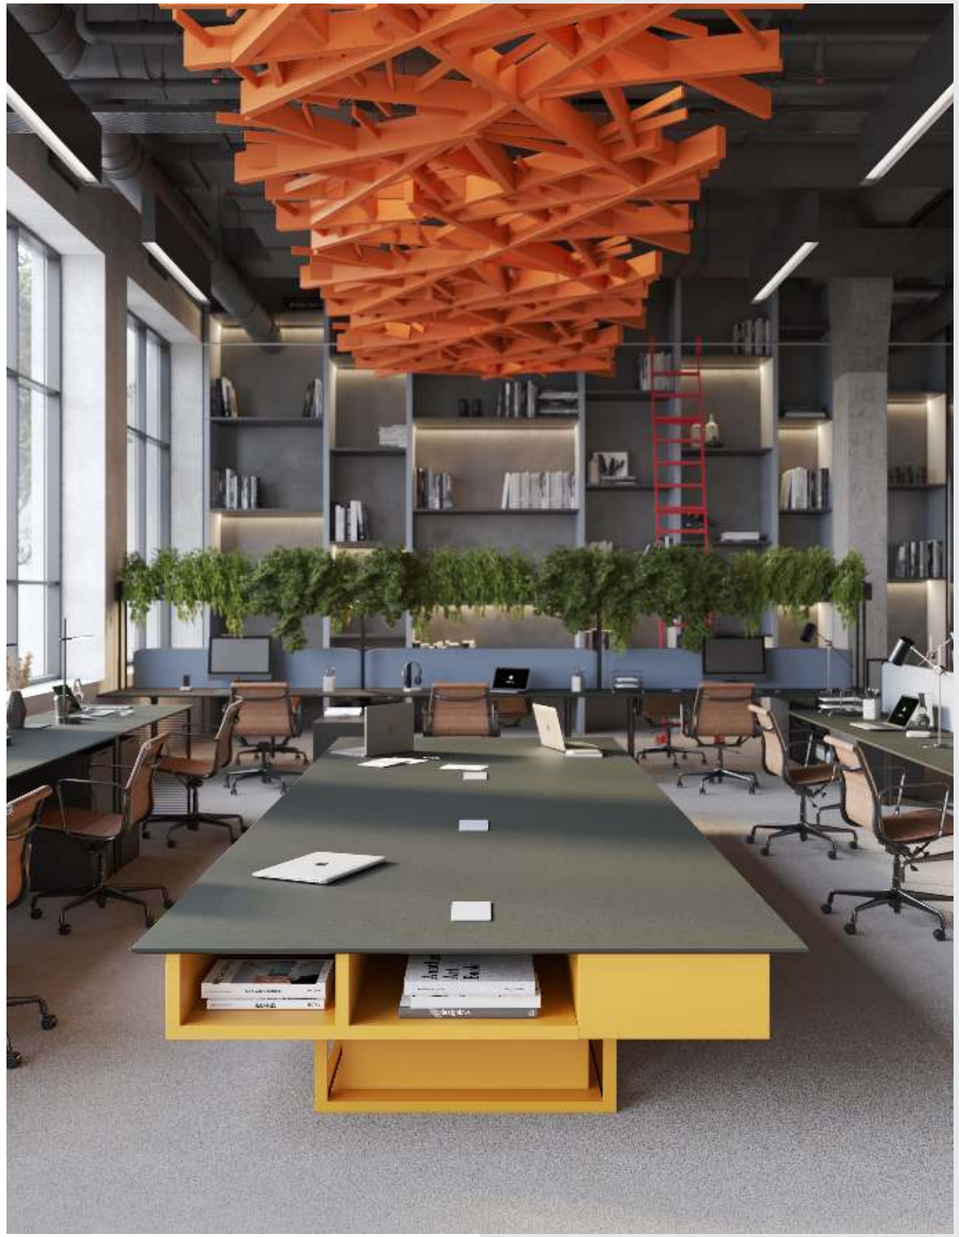

GREY CORE

SHADOW WEBBING
TS408

A refined, small-scale dark cool grey abstract design with a handwoven, plain weave textile look in a smooth textured finish. The full effect is understated, embodying timeless craftsmanship and adding a dimension to any space.

BLACK CORE

SHADOW WEBBING
TS408

SANDRIFT CHERRY
TS105

A warm, harmonious sandy blonde and creamy backdrop accented by gentle interplays of cherry and soft grey within the grain. The mix of partial cathedrals and straight grain presents a beautiful combination of natural beauty and refined craftsmanship.

KHAKI CORE

SUNWASHED OAK
TS104

A mix of rift-cut and quarter-sawn grain with balanced partial cathedrals throughout. A warm brown undertone, subtly enhanced with cerusing, is completed by soft white ticking in the background.

KHAKI CORE

GOLDEN SHORES TEAK
TS409

Teak wood is known for its rich, golden-brown color and ability to develop a silvery-grey patina over time. This design incorporates the best of natural teak wood with smoky grey and brown tones, straight graining, and black ticking.

BLACK CORE

EMBERED EUCALYPTUS
TS407

Discover the diverse range of colors and graining patterns from classic Eucalyptus wood. This design offers quarter-sawn grain fumed to create subtle features and movement across the layout of warm brown undertones.

BLACK CORE

ESPRESSO ETIMOE
TS411

A quarter-sawn woodgrain that features subtle contrast in its linear elements. This design boasts a dark, rich chocolate brown background, enhanced with delicate golden undertones. The sophisticated interplay of colors and textures adds depth and warmth.

EASY TO FABRICATE. EASY TO INSTALL.

Thinscape is easy to fabricate with simple woodworking tools. No surface sanding is required — just sand the edges to your desired profile.

Thinscape is also easier (and quicker) to install than competitive surfaces. No substrate is required, and the surface can be installed with undermount sinks. And at just 3.6 pounds per sq. ft., Thinscape is easy to handle and transport.

Thinscape is available in multiple sizes for better yield and less waste.
