FLOATING VANITIES

ELEVATE YOUR STYLE — **LITERALLY.**

Take your design inspiration to new heights with the chic, modern look of a new Wolf floating vanity. Because it "floats" off the floor, allowing the flooring treatment to extend all the way to the wall, a floating vanity makes your bathroom appear larger. It also creates more functional storage space and easier access, so everything you need is right at hand. And a floating vanity can be mounted at a height that works best for everyone in your family. Up, up and away!
